

## LISA MUZI-BIO

### MISS GEORGIA United States

Lisa Muzi is a multi-talented, results-driven individual who has been an exercise enthusiast for more than 25 years. She owns and manages a highly successful Jazzercise studio that is recognized as one of the best in the Southeast. Her passion for health and wellness evolved into a personal mission to teach others about the importance of a healthy lifestyle. Her decade long involvement in her community includes mentoring women and teens through One Heart Ministries and rallying for causes such as breast cancer awareness, clean water and elimination of hunger. An extensive traveler, Lisa has served and supported domestic and overseas missions.

Based on Lisa's character and tremendous accomplishments Wellness Centers of America made her their National spokesperson in 2010. Faith, marriage to her husband of 14 years and her two lovely girls are the glue in her life! You'll find her family enjoying campfires under the stars.
